Important informations:

- The distance values in the itinerary are calculated with the specified route.
 If you deviate from the original route, you will receive other values.
- If you want to complete the tour alone, it may be advisable to carry a light lock as you can not see the bikes at some of the checkpoints.

Highway Code RULES:

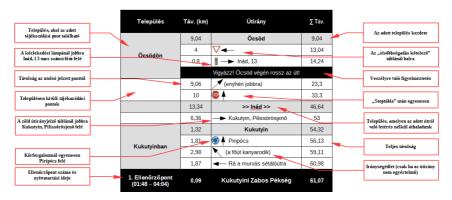

The entry conditions include the obligation to observe the Highway Code.
 We are not an authority, we do not control it, but I ask everyone to pay particular attention to fulfilling this condition.

Things to do before start the tour, registration:

- Receiving and signing the tour card.
- Matching and correcting data on a pre-filled entry page.

Enjoy your ride! Bon courage!
